In this month's *News*, read all about:

- **Latest Scientific Program Highlights**
- **Late Breaker Abstract Submissions**
- **Whale Watching from your hotel room!**
- **Luxury in the Wilderness at the Wickaninnish Inn**

Scientific Program Highlights

Understanding cardiovascular risk is an important challenge for clinicians and scientists regardless of whether they work at the basic science, clinical or population health spheres. ISH 2010 provides a leading edge program in hypertension, obesity, diabetes mellitus and the other factors leading to cardiovascular disease. We encourage attendees to learn the fundamental aspects of these issues and to translate them into new knowledge, clinical care and population health. A few of the talks are highlighted here.

Cardiovascular risk is Subclinical Atherothrombosis: Scientific Challenges at the Basic, Clinical, and Population Levels
Fuster, V., United States

Best Evidence for Blood Pressure Targets for Patients with Stroke and for Patients with Coronary Artery Disease
Mancia, G., Italy

Pathogenesis of Vascular Disease in Women
Oparil, S., United States

Prof. V. Fuster

Prof. Guiseppe Mancia

Prof. Susan Oparil

Stemming the Tide of Obesity: Management of Obesity in Children and Adolescence
Chanoine, J.P., Canada

The Adipose Renin Angiotensin System and the Cardiometabolic Syndrome
Cassis, L.A., United States

Aldosterone, Inflammation and Target Organ Damage
Brown, N., United States

Prof. J.P. Chanoine

Prof. L.A. Cassis

Prof. Nancy Brown

ISH 2010 welcomes you to attend and interact with the experts as we address global cardiovascular risk and its consequences on target organ disease. Visit the Meeting website to view the [scientific program](#) or for more information on the highlighted symposia.

Late Breaker Abstract Submissions!

ISH 2010 invites you to submit a late breaker abstract(s) for poster and oral presentations. The late breaker submissions will open **June 1 – 30, 2010**. Visit the Meeting website to view the complete list of [abstract topics](#) and to submit an abstract.

If you have any questions regarding abstract submission, please contact the ISH 2010 abstract team at hypertension2010@abstractserver.com.

Whale Watching from your Hotel Room!

Last month we introduced you to the celebrities who call Vancouver home. This month we'd like to introduce you to the latest visitors who are calling Vancouver home!

[Click here](#) to see great video of a pod of Pacific White-Sided Dolphins playing in Howe Sound (just around the corner from Vancouver) and a grey whale that actually swam right into False Creek, in the heart of downtown Vancouver!

Tour Highlight

There is so much to see and do in Vancouver; be sure to extend your stay! Visit the [Optional Tour and Social Events Program](#) page for complete details on all of the available tours and for registration information.

May Feature: Luxury in the Wilderness at the Wickaninnish Inn

This two night package is perfect for travelers looking to experience the natural beauty of British Columbia without sacrificing comfort or first class service. Surrounded by water on three sides and within an old growth forest, the Wickaninnish Inn offers panoramic views of the Pacific Ocean, nearby islands and the natural sweep of spectacular Chesterman Beach. Your tour includes an **unforgettable whale watching excursion** to look for majestic gray whales. Packages can also be arranged for salmon fishing, golf, scuba diving, sea kayaking, or book an appointment at the Ancient Cedars Spa. Travel to and from the Inn, located on the rugged west coast of Vancouver Island, is by floatplane which is a wonderful opportunity to view the Gulf

Islands and Vancouver Island.

For more information, visit the [Optional Tour and Social Events Program](#) on the Meeting website.
